To help us provide faster service, please provide:

- A voided copy of your check style
- A copy of your deposit tickets

## Important information:

In order to help facilitate this change from your existing account to your new River Valley Community Bank business account, we may ask you to provide your current banking information, including previous bank statements.

All new account relationships are verified through ChexSystems, Inc. Returning this Switch Kit does not guarantee approval. To help the U.S. Government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person (and business) who opens a new account relationship. In addition to this form, additional information or proof of identification may be required by bank representative. Thank you for your assistance in this important task.

\*\*This questionnaire does not take the place of a loan application. Please see a River Valley Community Bank Loan Officer to apply for and finalize a loan application.
